

Hello from Redstone College!

With great appreciation for your continued support, we would like to invite you to our 2013 Annual PAC meeting. Please save the date for June 13-15, 2013 in Broomfield, Colorado.

The Program Advisory Committee focuses on improving campus operations in order to better serve our employers/partners. Our advisory committee is a diverse collection of industry employers representing the major occupations from which the college's graduates receive training. The board serves to review curriculum, programs and career placement. At Redstone, we expanded the purpose of our Advisory committee to include developing ways to partner with industry in an effort to improve the quality of employees in the industry. We would love to have you in attendance for this event.

The schedule includes golf, a meet and greet reception, PAC meeting, tours of the campus, discounted Colorado Rockies tickets, and an open house event. We will be sending a formal invitation in the mail in the next week for RSVP and hotel information. We have booked a group of rooms at the Aloft Hotel in Broomfield. <https://www.starwoodmeeting.com/Book/redstonePAC>

The golf, reception, and PAC meeting will be held at the Ranch Country Club: <http://www.theranchcc.com/> in Westminster, close to Broomfield. For those interested in golfing, we have limited tee times on Thursday, June 13 at 3:30. The cost per person is \$55. Redstone Campus President, Glenn Wilson, will be joining the golfing outing. Please let me know as soon as possible if you are interested. Remember this is a first come, first serve basis!
