**Committees can use your help**

We are always on the lookout for those interested in participating on standing committees as well as event planning.

Serving on a committee is a great way to network with fellow aviation professionals of many stripes, give back a little to the community, and very possibly open a new door in your career path. All of our volunteers are people just like yourself who put a little extra effort into doing the things that make CABA a better organization.

Our committees are: Legislative, Educational Outreach, Membership, Regional Groups, Industry Groups, and Marketing/Communications. They can ALL use more help!
