Happy Hour

Mike Wade, Sean Clancy, and Thom Brunz of Lawing Financial wish to extend a sincere **Thank You!** to those who were able to attend the Happy Hour they hosted recently at The Perfect Landing. It was a great evening of making new connections, renewing old ones, fun and conversation, and went well beyond the scheduled time with about 80-90 in attendance. For those unable to make it, be assured they plan to hold more in the future.

Mission Statement

The mission of the Colorado Aviation Business Association is to promote the value of business and general aviation across the state of Colorado.

Founded in 1994, CABA acts to collectively address and respond to issues impacting Colorado Airports including safety and operational effectiveness; to educate the general public about all aviation activities in the state; to preserve the state's airport related businesses as valuable economic assets to the community at large; and to provide for the training of future aviation professionals through its scholarship fund.

Volunteers wanted!
Committees need your help

Serving on a committee is a great way to network with fellow aviation professionals of many stripes, give back a little to the community, and very possibly open a new door in your career path. All of our volunteers are people just like yourself who put a little extra effort into doing the things that make CABA a better organization.

Our Standing Committees are Legislative, Educational Outreach, Membership, Regional Groups, Industry Groups, and Marketing/Communications. *They ALL welcome more participation!*

By joining the CABA team you WILL have a positive impact on the aviation community in Colorado. To find out more, email us at info@mycaba.org
