Colorado Aviation Business Association (CABA) Announces Scholarship Awards Totaling \$6,000

Denver, CO – November 8, 2012 – The Colorado Aviation Business Association (CABA) has announced the recipients of the 2012 CABA Scholarships held at the *Wings Over the Rockies Air & Space Museum* on October 5th. The scholarships were awarded at the 2nd Annual Aviation Safety Symposium, an event co-hosted with Metropolitan State University of Denver's Department of Aviation and Aerospace Science.

The 2012 recipients are: Mr. Joseph Muwala, Mr. Durga Niroula, and Mr. Ryan O'Rear.

Mr. Muwala is a student at Emily Griffith Technical College in the Aircraft Maintenance Program and will continue in a career as an aircraft maintenance professional. Mr. Niroula is currently in the 11th grade at Aurora West College Preparatory Academy and plans to pursue a career as an airline pilot. Mr O'Rear is a student in the Department of Aviation & Aerospace Science at the Metropolitan State University of Denver, and plans to use his award for flight training.

The CABA Scholarships, established and first presented in 2011, are awarded to help support selected students in their pursuit of a career in aviation. All aviation-related career tracks are considered eligible including, but not limited to: pilot, aircraft maintenance, airport operations, and management. Applicants are evaluated by CABA's Education and Outreach Committee, and recipients are selected based on their demonstrated dedication to an aviation-related career, scholastic transcripts, financial need, and recommendations from professional and/or faculty mentors.

For more information on the scholarships and to apply, visit www.mycaba.org

Note to Editors:

Founded in 1994, the mission of the Colorado Aviation Business Association (CABA) is to foster and promote aviation and related business throughout Colorado; to collectively address and respond to issues impacting Colorado Airports, including safety and operational effectiveness; to educate the general public about all aviation activities in the state, and to preserve the state's airport related businesses as valuable economic assets to the community at large.
